Good Luck Seniors, Class of '79
BUTLER SPORTING GOODS

A FINAL THOUGHT

Friends, we are all leaving
To go our separate ways,
And years from now, while looking back
We'll all recall these days.
We'll try to relive the dances,
And all the football games;
The many friends we used to have;
And all the crazy names.
Although we don't quite think of it,
This time won't always last.
And tomorrow looking back on it
We'll ask how we grew so fast;
Sense the feeling of responsibility,
Going out on dates,
And the feeling of being grounded,
When coming home too late.
Inhibitions falling away,
As more and more we'd try,
Attempting to see what our bodies can take,
And thinking we'd never die.
But, oh, how soon the feelings leave,
As our high school years go by.
A time of living and of loving,
Gone in the blink of an eye.
Although the time was difficult,
Looking back we'll say — divine,
Remembering the things we've done
Our Class of '79!!

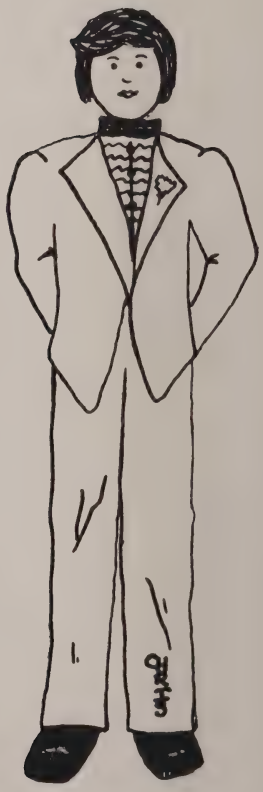
High School People

A Senior

Leaps over tall building with a single bound,
Is faster than a speeding bullet,
Can fly higher than a mighty rocket,
More powerful than a locomotive,
Gives policy guidance to God.



A Junior

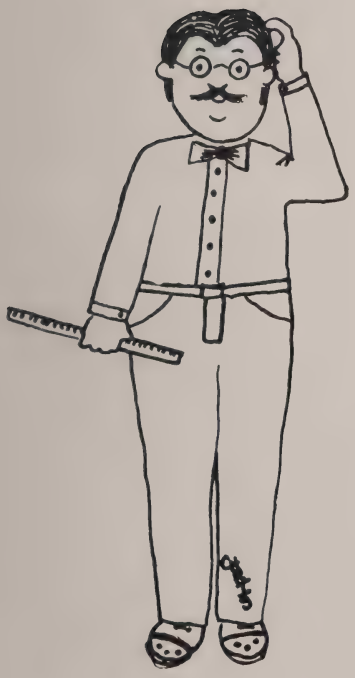
Must take a running start to leap over tall buildings,
Is just as fast as a speeding bullet,
Can fly as high as a mighty rocket,
Is as powerful as a locomotive,
Talks with God.

A Sophomore

Can jump over short buildings,
Is not quite as fast as a speeding bullet,
Can fly only as high as a transport,
Will lose a tug-of-war with a locomotive,
Listens to God.

A Freshman

Crashes into buildings when
attempting to walk around them,
Can shoot bullets,
Has trouble flying,
Stays away from locomotives,
Has heard of God.



A Teacher

Stumbles into buildings when attempting to enter,
Wounds himself when attempting to shoot bullets,
Can barely walk,
Never heard of a locomotive,
Talks to himself.

THE MAN IN THE GLASS
When you get what you want in your struggle for self,
And the world makes you king for a day,
Just go to a mirror and look at yourself,
And see what the man has to say.
For it isn't your father or mother or wife
Whose judgement upon you must pass,
The fellow whose verdict counts most in your life
Is the one staring back from the glass.
He's the fellow to please never mind all the rest,
For he's with you right up till the end.
And you've passed your most dangerous difficult test
If the man in the glass is your friend.
You may fool the whole world down the pathway of years
And get pats on the back as you pass,
But your final reward will be heartaches and tears,
If you've cheated the man in the glass.

The 1978 Baseball team was the defending S.M.C.I. champs. Injuries to key players hampered their chances of repeating as title winners. With eleven players returning in 1979 from the 1978 team that finished 10-9, the team hopes that the championship will be returned to Barnstable.

The 1978 BHS boy's tennis team won the Southeastern Massachusetts Conference Division I title with an 11-1 record. Seniors Steve Prothero and Ted Fuller were major contributions in producing such a successful season. In post-season play the team entered the State Team Tournament and defeated Holliston before losing to New Bedford (3-2) in the third round. Thus Barnstable finished the season with an allover 14-3 record.

Dear Men,

Congratulations on being the first winning football program in Barnstable for six years! You overcame great adversities this year. These confrontations will help you face the problems of the future with more confidence and poise than if you had never participated. I hope a smile passes over your face as you think of a team that encountered the following: a vacation week at Hotel Otis, 22 fellow seniors, five glorious captains, injuries galore, and the first win over Falmouth in ten years!

God bless you all and don't forget to drop back and see us sometime.

HELLO CHEER

We come to say hello, in a very special way
We hope you enjoy it and have good luck today.

B is for our school that gives our team support all season.

A is for the agony and fighting for a reason.

R is for the Raiders with colors of Red and White, they stand for victory and lots of fight.

N is for Number One which is what we strive to be.
We hope to cheer our team to a victory.

S is for the Spirit that we may provide, for our team has power and plenty of pride.

T is for the team that fights hard to win, they never give up and never give in.

A is for our arms we open infriendship to you.

B is for the best in everything we do.

L is for the luck we wish for our team and yours, for very high our team will score.

E is for the enemy for you're supposed to be our foe
But we wish you lots of luck and a very big hello.
We have now spelled BARNSTABLE and told you why we're the best,
But today's the day we'll put it to the test.
The clock now says it's time to stop
May the better team come out on TOP!

Coaching the Field Hockey Team this year has been a delightful experience. All the members worked hard and did well, but the Seniors deserve extra mention. These young ladies exemplify the qualities a coach hopes to have in a team: fantastic attitudes, dedication, and the desire to do well. Their healthy approach gave the team a strong basis from which to grow. And grow they did into a team I was very proud to coach!

Compliments of the CHRISTMAS TREE SHOPS
Route 6A and Willow St., Yarmouthport
Route 28 in Hyannis, West Yarmouth, and West Dennis.

Co-captains John Alger and Dan Mullen, who ran #1 and 2 respectively, had a superb season highlighted by outstanding performances at both the Catholic memorial and Dartmouth Invitational meets. John Shea began the season as #3 but was sidelined with a muscle pull. #4 and 5 positions were filled by newcomer Dave Kennon and old-timer Peter Souza. Both should be back next year along with Gerard McDonough who was out most of the season with a sprained ankle. The runners were plagued with several 1 or 2 point losses but the ranks are filled with some strong freshmen who look forward to a strong season next year.

Gymnastics continues to be a popular sport at B.H.S. We are very fortunate to have such a fine team led by co-captains Karen Griffin and Sue Powers. As members of the SMC, the girl's gymnastic team is involved in a full scale competition program. Returning varsity members Karen Griffin, Karen Joakim, Susan Powers, Jody Robinson, and Patti Shea and new varsity members Ellen Crocker, Terri Devlin and Cathy Magnant promise a great future for the team.

SUBJECT: A.L.P

A.L.P.

The Alternate Learning Program exists as an alternate secondary school within the framework of the Barnstable High School. We are a diverse group of students and staff members with a wide range of interests. The A.L.P. values the differences of individuals and their environments and motivates each student to commit him/herself to an evolutionary process of growth.

The program's atmosphere is one in which priority is given to the cultivation of individual potential, allowing each student to develop his/her own unique abilities and skills. Marine Biology, Ecology, Short Stories, The American Novel, Sociology Practicum, Creative Needle Art, Calligraphy, Barnstable History, and Communication I and II are only a few of the many courses offered as part of the A.L.P. curriculum. Students, also, have the option to receive course credit by completing an independent study contract. Independent Study projects vary with each individual . . . such as photography lessons, and long term studies of specific marine organisms, utilizing our aquarium facilities and working with the Conservation Commission Officer . . . these are just a sampling of the independent projects completed by the A.L.P. members.

Many of the students volunteer in our community as volunteer firemen; they work with senior citizens at the Armory luncheon program; they visit residents in various nursing homes and volunteer at our local community hospital. Some students integrate their program by involvement in a paid or unpaid work experience. Those who participate in this program keep a daily work log of their experiences and attempt to analyze specific situations that arise in their jobs.

Our courses are taught by staff members, students, and volunteers. Course work is completed both in and out of the classroom.

The governing of the program is the mutual responsibility of the students and staff members, each participating on the various committees (Appeals, Entrance, Independent Study, Student Council) which help to administer the program.

The Alternate Learning Program's environment is relaxed and informal, and the community is characterized by self respect, respect for others, and an open channel for communication between student and student, and between student and adult.

Dear Seniors:

Time has gone by so quickly since we started taking photographs for this yearbook last May.

We have really enjoyed working with all of you at Barnstable High, whether taking your portrait at the studio or recording your activities at school.

We feel you have given us the opportunity to share in a very important year of your lives and that our lives have been enriched by knowing you.

We wish you all the best in your future endeavors as you leave Barnstable High. Please come back and see us.
